Mercedes Ferrer (Spain)
Javier González-Gallego (Spain)
Luis González de Vallejo (Spain)
Nuno Grossmann (Portugal-ISRMR)
John Hudson (Great Britain-ISRMR)
Alejandro Lomoschitz (Spain)
Ana Malheiro (Portugal)
Paul Marinos (Greece)
Ricardo Oliveira (Portugal)
Fernando Pardo de Santayana (Spain)
Leoncio Prieto (Spain)
Eda Quadros (Brasil)
Davor Simic (Spain)

ORGANIZATION

The 3rd. International Workshop on “Rock Mechanics and Geo-engineering in Volcanic Environments” is organised by the Spanish Society for Rock Mechanics (the ISRMR National Group), with the collaboration of the Regional Ministry of Works of the Government of the Canary Islands in the frame of the International Congress “Cities on Volcanoes 6- Tenerife 2010”, organized by the Cabildo Insular de Tenerife and the Instituto Tecnológico y de Energías Renovables (ITER) with the sponsorship of the Inter. Assoc. of Volcanology and Chemistry of Earth Interior (IAVCE).

1st Bulletin & CALL FOR PAPERS

3rd International Workshop Rock Mechanics and Geo-engineering in Volcanic Environments

Puerto de la Cruz, Tenerife
(Canary Islands, Spain)

May-June, 2010

ANNOUNCEMENT

The ISRM National Group of Spain proudly announces the 3rd International Workshop on “Rock Mechanics and Geo-engineering in Volcanic Environments” to be held at the Conference Center of Puerto de la Cruz, Tenerife (Spain) on the 31st of May and 1st of June 2010, during the Congress “Cities on Volcanoes 6 – Tenerife 2010”.

TOPICS

- Geomechanical characterization of volcanic materials.
- Instabilities in volcanic islands: Slope stability, large landslides and collapse phenomena.
- Geoengineering and infrastructures in volcanic environments.

WORKSHOP SCHEDULE

- Sunday 30th May: Arrival and inscriptions.
- Monday 31st May: Inscriptions and technical sessions.
- Tuesday 1st June: Technical visit to construction sites.

TENTATIVE REGISTRATION FEES

Registration's fees before December 31, 2009:

- 360 € (300 € for registration and 60 € for Workshop Proceedings printing volume)
- 150 € (students)

Registration's fees after January 7, 2010:

- 390 € (330 € for registration and 60 € for Workshop Proceedings printing volume)
- 165 € (students)

These fees include the attendance at the International Congress “Cities on Volcanoes 6-Tenerife 2010” and some others activities. For further information, please consult:

<http://www.citiesonvolcanoes6.com/registration.html>

IMPORTANT DATES

- Online registration
<http://www.citiesonvolcanoes6.com>
From 7th September 2009
- Submission of abstracts
15th October 2009
- Notification of selection
15th December 2009
- Submission of final papers
15th February 2010
- International Workshop
31st May - 1st June 2010
- International Congress
Tenerife 2010- Cities on Volcanoes 6
31st May - 4th June 2010

LANGUAGE

The official language of the Workshop is English.

ACCOMODATION

The organization of CoV6-Tenerife 2010 is working to select those hotels and apartments that will be offered to the future participants of CoV6-Tenerife 2010.
