China
China had 720 ISRM members and 15 ISRM corporate members. The main activities include: The 12th ISRM Congress in Beijing Oct 2011 with more than 1000 participants; The 2nd ISRM Int'l Young Scholars' Sym. on Rock Mechanics Oct, 2011 in Beijing, with about 250 participants 17 countries; Int'l Forum on Progress and Challenges in Rock Mechanics, Oct 24-25, 2011, with more than 120 participants; Int'l Workshop on Radioactive Waste Disposal: Progress and Challenges, Oct. 16, 2011 in connection with ISRM 2011 Beijing, with were 75 participants.

India
India NG has 304 members. Dr. Manoj Verman was elected Vice President at Large for the period 2011-15.
Publications include “Underground Works” for the practising engineers, and the inaugural issue (Jan 2012) of a half-yearly Technical Journal “ISRM (India) Journal”.

Indonesia
In October 2011, the Indonesian Rock Mechanics Society and Indonesian Mining Professional Association organised a Workshop on Geotechnical Risk Management in Open Pit and Underground Mines, with more than 40 participants.

Iran
No report.

Israel
The Israel NG has been trying to increase its membership but did not submit any activity report.

Japan
Japan NG has 370 individual members and 38 ISRM corporate members.
Japan NG had the following publications: News Journal (Nos. 99-102); Rock Net; "Rock Mechanics '10 (CD-ROM)" containing all publications on Rock Mechanics in Japan in 2010, The Int'l J. of JCRM Vol.7 No.1.

Korea
In March 28, KSRM held a national conference in Dong-A University in Busan with more than 120 participants. The most notable event is the 7th Asian Rock Mechanics Symposium to be held 15-19 Oct. 2012. ARMS 7 received 222 abstracts from 30 countries.

**Middle East**
Middle East has total of 9 members. No report of other activities.

**Nepal**
Nepal NG has 6 members. Several attempts have been made to re-activate the Nepal NG. The Nepal Tunnelling Association organized a two-day Workshop on Sprayed concrete in December 2011, where the attempt was made to activate the Nepal NG. Singapore NG agreed to pay the 2012 fees for Nepal NG.

**Singapore**
Dr Yingxin Zhou was elected as Vice President for Asia for 2011-2015. Singapore NG has 92 members consisting of 67 ordinary and 25 student members. Events organized include: a 2-day training course on Introduction to Rock Mechanics and Tunnelling, October 2011; the 3rd Workshop on Singapore Geology on 14 March 2012. The main event for 2012 is the 13th World Conference of the Associated research Centres for the Urban Underground Space, to be held in Singapore 7-9 Nov 2012.

**Southeast Asia**
No report was submitted from Southeast Asia
