

CALL FOR ABSTRACTS

ARMS11 - THE 11th ASIAN ROCK MECHANICS SYMPOSIUM

WWW.ARMS11.COM October 21-25, 2021 BEIJING, CHINA

Theme: Challenges and Opportunities in Rock Mechanics

INVITATION

On behalf of Chinese Society for Rock Mechanics and Engineering (CSRME, ISRM NG China), we are pleased to invite you to Beijing for the 11th Asian Rock Mechanics Symposium (ARMS 11), which will be held on October 21-25, 2021.

The conference will focus on advances and innovative applied research on rock mechanics and rock engineering. It will provide a showcase of recent developments and advances in rock mechanics and innovative applications in rock engineering. It will offer an international forum for exchanging new ideas and exploring the future directions in rock mechanics and engineering. Short courses, workshops, industrial exhibitions and technical visits will also be organized. Attractive programs will be provided for young researchers and students, including the student night, poster and paper competitions.
